- Staff, students or volunteers who ignore this policy and use a mobile on the setting premises without permission may face disciplinary action.
- The setting's main telephone number can be used for emergencies by staff, students or volunteers or by people who need to contact them.
- In circumstances such as outings and off site visits, staff will agree with the manager the appropriate use of personal mobile phones in the event of an emergency. However, a Nursery mobile phone is provided.
- Where there is a suspicion that the material on a mobile phone, camera or technological device may be unsuitable and may constitute evidence relating to a criminal offence, the 'Allegations of Abuse' process will be followed. Please refer to the Safeguarding and Child Protection Policy.
- Staff, students or volunteers remain responsible for their own property and will bear the responsibility of any losses.
